

SGX Introduce Circuit Breakers on 24th February 2014

Singapore Exchange (SGX) will introduce circuit breakers in the securities market from 24th February 2014 as an additional safeguard. Circuit breakers will initially apply to Straits Times Index and MSCI Singapore Index component stocks and those securities with a first reference price at or exceeding S\$0.50. This will include stapled securities, funds, exchange traded funds, exchange traded notes and extended settlement contracts.

More details on these initiatives can be found at www.sgx.com/tradingsafeguard and www.sgx.com/faqs
