

DBS Vickers HK - 2FA Implementation on 13 February 2017

As part of our commitment to create a safer and more secured online trading experience, with effect from 13 February 2017, we will implement the Second Factor Authentication (2FA) security process for DBS Vickers online trading services.

For the 2FA implementation, you will be required to register your mobile number to receive One-Time PIN (OTP) which is a unique dynamic security code generated for validation and authentication purposes, when you access the online trading services.
