Dear Sir/Madam,

**REVOCATION OF STANDING INSTRUCTION FOR FOREIGN MARKETS FOR ONLINE TRADING A/C NO. \_\_\_\_\_**

We hereby instruct you to revoke and cancel the standing instruction we had given to DBS Vickers Securities in connection with the conversion of all foreign markets contracts settled in foreign currencies into Singapore Dollars and deduct the converted amount from our DBS GIRO Bank Account.

We understand that we need to make separate arrangements:

- to pay in foreign currency;
- to sell fully paid-for shares of the same market; and/or
- to sell the overdue outstanding stocks of the same market

in time to settle any outstanding trades before force selling, which will take place on Settlement Date + 3 Market Days or such time as DBS Vickers Securities sees necessary in accordance with applicable laws, regulations or exchange rules.
